SUPPLEMENTARY INFORMATION:

review of the antidumping duty order on steel wire garment hangers from the PRC.² Based upon these requests, on December 16, 2016, the Department published a notice of initiation of an administrative review of the Order covering the period October 1, 2015, to September 30, 2016.³ The Department initiated the administrative review with respect to 46 companies.⁴ On December 22, 2016, Petitioner withdrew its request for an administrative review on 42 companies.⁵

Partial Rescission

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. Petitioner timely withdrew its review request and no other party requested a review of the companies for which the petitioner requested a review. All requests for administrative reviews on the 42 companies listed in the Appendix were withdrawn.⁶ Accordingly, we are rescinding this review, in part, with respect to these entities, in accordance with 19 CFR 351.213(d)(1).

This administrative review will continue with respect to Hangzhou Yingqing Material Co., Ltd., Hangzhou Qingqing Mechanical Co., Ltd., Shanghai Wells Hanger Co., Ltd., and Hong Kong Wells Ltd.

⁵ See Letter to the Secretary of Commerce from Petitioner "Re: Eighth Administrative Review of Steel Wire Garment Hangers from China- Petitioner's Withdrawal of Review Requests for Specific Companies" (December 22, 2016).

⁶ As stated in Change in Practice in NME Reviews, the Department will no longer consider the non-market economy ("NME") entity as an exporter conditionally subject to administrative reviews. See Antidumping Proceedings: Announcement of Change in Department Practice for Respondent Selection in Antidumping Duty Proceedings and Conditional Review of the Nonmarket Economy Entity in NME Antidumping Duty Proceedings, 78 FR 65963 (November 4, 2013).

Assessment

The Department will instruct U.S. Customs and Border Protection (“CBP”) to assess antidumping duties on all appropriate entries. For the companies for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Notification to Importers

This notice serves as the only reminder to importers for whom this review is being rescinded, as of the publication date of this notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (“APO”) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

This notice is issued and published in accordance with sections 751 and 777(i)(1) of the
Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).
